

Dear student,

We have been informed by the Wageningen University that you will be starting your study period from **September, 2022** onwards. To help you find your first accommodation in Wageningen and Ede, we'll explain what you need to do.

Activate your account at ROOM

We have noticed that you already have an account at ROOM.nl however it appeared not to be active. **Please make sure your account is activated.** If you have any questions concerning your registration please contact ROOM.nl via phone [+31 \(0\)85-2021013](tel:+310852021013) or fill out their [contact form](#).

Once your account is active, please make sure that your mobile phone number is correctly registered with the proper country code. Also fill in the correct house number of your home address. We also want you to use the same e-mail address as you used for your application at Wageningen University and on ROOM.nl.

If you do not register at ROOM.nl and do not inform us your ROOM account number, we cannot give you the priority status and you will have to find a room outside of Idealis.

Find your ROOM!

Idealis is the student housing corporation of Wageningen. From **the 15th of July 2022** onwards we will be mainly publishing our furnished rooms on [ROOM.nl](#). To get a room, you have to respond yourself! The longer you are registered, the higher you will be placed in the ranking. If you are the first candidate on the waiting list, you will receive an e-mail with instructions from ROOM.nl.

Be aware of the fact that there is a housing shortage at the moment, there are not enough rooms for everyone! We advise you to also look for other housing options! The priority does not guarantee that you will find a room before the start of the academic year.

Priority

It can take months before a student finds their first room. Because of your specific situation, you will be provided with a priority status on your ROOM.nl account. This priority goes into effect on **the 15th of July 2022 and will last until the 15th of September 2022**. This priority is a **one-time offer**; you will not be receiving it again and it will expire as soon as you sign a contract with Idealis.

Please notice that this priority will only be visible in your ROOM account in this period and not before.

What you need to do now!

1. Create an account at [ROOM.nl](#).
2. **Send us your room registration number by e-mail otherwise we can't give you priority!**
3. Keep an eye on your mailbox; you will be receiving more information soon.
